# 1st Maintenance do what they can to make it home sweet home

13th Sustainment Command (Expeditionary) Public Affairs

**CAMP LIBERTY**, Iraq – Soldiers of 1st Maintenance Company, 260th Combat Sustainment Support Battalion, 96th Sustainment Brigade from Fort Riley, Kan., add small touches to their work areas to make it a little more like home. Although the deployed environment will never be the Soldier's home, leadership encourages Soldiers to make any small adjustments needed to ease the

difficulties of being so far from Families. This sign was built and put up in front of one of the office buildings; the Soldiers of 1st Maintenance picked names of places that remind them of home to put on the directional poll.
